

# Rabbits and Plants

The following list is alphabetized by common name and includes plants along with varying notes about their toxicity to rabbits. All information here is from the University of Illinois House Rabbit Society and the Wisconsin House Rabbit Society.

## Toxicity Legend

Class 1: Most toxic, potentially deadly
Class 2: Moderately toxic, usually not life-threatening
Class 3: Mildly toxic, sensitive individuals may be affected

## Plant List

Acacia	Acacia farnesiana	toxic class 3
Agave (leaves)	Agave x	toxic
Aglaonema	Aglaonema glata	toxic class 2
Aloe Vera	Aloe vera	toxic class 3
Amaryllis	Amaryllis spp.	toxic class 2
Angel Trumpet	Brugmansia x	toxic class 1
Anthurium	Anthurium spp.	toxic class 2
Apple	Malus pumila	toxic class 1
Arrowhead vine	Syngonium spp.	toxic class 2
Asparagus Fern, Foxtail Fern	Asparagus densiflorus	toxic class 3
Avocado	Persea americana	toxic class 1
Azalea	Rhododendron spp.	toxic class 1
Begonia	Begonia spp.	toxic class 2
Bird of Paradise	Strelitzia spp.	toxic class 1
Boxwood (leaves/twigs)	Buxus spp.	toxic class 1
Bracken Fern	Pteridium spp.	toxic class 2
Breadfruit	Arctocarpus altilis	toxic class 2
Buttercup (leaves)	Ranucula, Turnera ulmifolia	toxic
Cactus, all	various	toxic class 2
Caladium	Caladium x	toxic class 2
Calamondin	Citrus x	toxic class 3
Calendula	Calendula x	toxic class 2
Calla Lily	Zantedeschia x	toxic class 2
Cardboard palm	Zamia furfuracea	toxic class 2
Cardinal Flower	Lobelia cardinalis	toxic class 1
Cashew Tree	Anacardium occidentale	toxic
Cassias and Sennas	Cassia spp.	toxic class 2

Cestrum, all (night-blooming jasmine, yellow cestrum)	Cestrum spp.	toxic class 2
Chalice Vine	Solandra maxima	toxic class 1
Chinese Lantern	Physalis alkakengi	toxic class 1
Citrus	Citrus x	toxic class 2
Cone Flower	Echinacea purpurea	toxic
Coontie palm	Zamia pumila, Z. floridana	toxic class 2
Creeping Charlie	Glechoma hederacea	toxic class 3
Croton	Codiaeum variegatum	toxic class 2
Crown of Thorns	Euphorbia milli	toxic class 2
Cyclamen	Cyclamen x	toxic class 2
Daisies, all	various	toxic class 3
Delphinium	Delphinium elatum	toxic class 1
Dianthus	Dianthus spp.	toxic class 2
Dieffenbachia	Dieffenbachia x	toxic class 1
Dracaena, all	Dracaena spp.	toxic class 2
Dutchman's Pipevine	Aristolochia spp.	toxic class 2
Eggplant (plant)	Solanum melangea	toxic
Elephant Ear	Alocasia spp., Colocasia spp.	toxic class 2
Eucalyptus, all	Eucalyptus spp.	toxic class 1
Ferns	various	toxic class 2
Fiddle-leaf Fig	Ficus lyrata	toxic class 3
Firecracker	Russelia equisetiformis	toxic class 3
Fishtail Palm	Caryota sp.	toxic class 2
Flowering Maple	Abutilon sp.	toxic class 1
Foxglove	Digitalis purpurea	toxic class 1
Geranium	Pelargonium x hortorum	toxic class 2
Gladiola	Gladiolus spp.	toxic class 2
Holly (berries)	Ilex spp.	toxic class 1
Horsetail Reed	Equistum hyemale	toxic class 2
Hydrangea	Hydrangea spp.	toxic class 2
Iris, all	Iris sp., Neomarica sp., Dietes sp.	toxic class 2
Ivy, Boston, English, sweetheart, etc.	Hedera spp.	toxic class 1
Jasmine, all	Jasminium spp.	toxic class 1
Junipers	Juniperus spp.	toxic class 3
Kalanchoe, all	Kalanchoe spp.	toxic class 1
Lantana	Lantana Camara	toxic
Ligustrum, all	Ligustrum spp.	toxic class 1
Lilies, all	various	toxic class 2
Lily of the Nile	Agapanthus spp.	toxic class 2
Lucky Bamboo	Bamboo sp.	toxic class 2
Milkweed	Asclepias spp.	toxic class 1

Monstera	Monstera spp.	toxic class 2
Morning Glory	Ipomoea spp.	toxic class 1
Mushrooms, all	various	toxic class 1
Mustard (root)	Brassica oleracea	toxic
Narcissus	Narcissus x	toxic
Nicotiana	Nicotiana glauca	toxic class 1
Nutmeg	Myristica fragrans	toxic class 1
Oaks, all	Quercus spp.	toxic class 2
Oleander	Nerium oleander	toxic class 1
Pagoda tree	Clerodendrum speciosissimum	toxic class 2
Peace Lily	Spathiphyllum x	toxic class 2
Pencil Cactus	Euphorbia tirucali	toxic class 2
Persian Violet	Exacum affine	toxic class 2
Philodendrons, all	Philodendrons, all	toxic class 2
Podocarpus	Podocarpus macrophylla	toxic class 1
Poinciana	Caesalpinia pulcherrima	toxic class 2
Poinsettia	Euphorbia pulcherrima	toxic class 3
Potato	Potato tuber	toxic class 1
Potato (green)	Solanum tuberosum	toxic
Pothos, all	Epipremnum aureum	toxic class 2
Rubber trees	Ficus elastica	toxic class 3
Rue	Ruta graveolens	toxic class 3
Sago palm	Cycas revoluta	toxic class 2
Satin pothos	Scindapsus sp.	toxic class 2
Shamrock, clover	Oxalis spp.	toxic class 2
Snowbush	Breynia sp.	toxic class 2
Squill	Ledebouria socialis, Drimiopsis kirkii	toxic class 1
Stone Fruit Trees (peach, plum, cherry, etc.)	Prunus spp.	toxic class 1
String of Pearls	Senecio rowleyanus	toxic class 3
Sweet Potato	Ipomoea batata	toxic
Tomato (leaves)	Lycopersicon esculentum	toxic
Umbrella tree	Schefflera arboricola	toxic class 2
Vinca, Periwinkle	Vinca spp.	toxic class 1
Virginia Creeper (berries)	Parthenocissus quinquefolia	toxic
Weeping Fig	Ficus benjamina	toxic class 3
Yellow Jessamine	Gelsemium sempervirens	toxic class 1

\*\*\* This list was compiled from the University of Illinois House Rabbit Society and the Wisconsin House Rabbit and is intended to be informative only. Please consult a veterinarian if you have questions on specific plants or if you experience a pet with illness caused by any plants.
