2 = toxic, potentially deadly
3 = contact dermatitis, bad for sensitive individuals
4 = info incomplete/suspected toxic

## Plant List

Amaryllis	Amaryllis belladonna	2
Aglaonemas, all	Aglaonema modestum	1
Arrowhead Vine	Syngonium podophyllum	1
Asparagus Fern	Asparagus sprengeri	2, 3
Avocado (leaves, seeds)	Persea americana	2
Azalea	Rhododendron spp.	2
Begonia	Begonia x	1
Boxwood	Buxus sempervirens	2, 3
Buttercup family	Ranunculus spp.	2, 3
Calla Lily	Zantedeschia spp.	1
Cardinal Flower	Lobelia cardinalis	2
Carolina Jessamine	Gelsemium sempervirens	2
Cashew Tree	Anacardium occidentale	2
Cissus	Cissus rhombifolia	4
Creeping Charlie	Glechoma hederacea	2
Cyclamen	Cyclamen persicum	2
Delphinium, Larkspur	Delphinium spp.	2
Dianthus, Carnation	Dianthus spp.	2
Dieffenbachia	Dieffenbachia amoena	1
Dwarf Schefflera	Schefflera arboricola	1, 3
Elephant's Ear	Philodendron, Alocasia, Colocasia spp.	1, 3
Euphobia (all)	Euphorbia spp.	2, 4
Ficus, Figs (all)	Ficus spp.	3
Foxglove	Digitalis purpurea	2
Garden Mum	Chrysanthemum morifolium	2, 3, 4
Gardenia	Gardenia jasminoides	4
Heavenly Bamboo	Nandina domestica	2
Holly	Ilex spp.	2

Hydrangea	Hydrangea spp.	2
Iris (esp. rhizome)	Iris spp.	2, 3
Ivy - English, sweetheart, etc.	Hedera helix	2, 3
Juniper	Juniperus spp.	2
Lantana	Lantana camara	2, 3
Lily of the Nile	Agapanthus africanus	2, 3
Nightshade family	Solanum spp.	2
Oleander	Nerium oleander	2
Philodendron	Philodendron spp.	2
Poinsettia	Euphorbia pulcherrima	4
Pothos	Epipremnum aureum	1, 3
Royal Poinciana	Poinciana gilliesii	2
Shasta Daisy	Chrysanthemum maximum	2, 3
Splitleaf Philodendron	Monstera deliciosa	1
String of Pearls	Senecio rowleyanus, S. herrieanus	2
Sweet Pea (seeds)	Lathyrus odoratus	4
Tomato (leaves, vines)	Solanum lycopersicum	2
Umbrella Tree	Schefflera actinophylla	1, 3
Vinca, Periwinkle	Vinca spp.	2
Virginia Creeper	Parthenocissus quinquefolia	1

\*\*\* This list was compiled from the University of California Irvine's Tortoise Group and is intended to be informative only. Please consult a veterinarian if you have questions on specific plants or if you experience a pet with illness caused by any plants.
